## Education

### Electrical Engineering and Automation

2007 ~ 2011(Bachelor)  
University of Electronic Science and Technology of China

### Computer Science and Technology

2011 ~ 2012(Trainee)  
University of Science and Technology of China

### Detection Technology and Automatic Equipment

2012 ~ 2014(Master)  
Jiangsu Automation Research Institute

---

## Work

### Embedded Software Engineer

2014 ~ now  
Shenzhen Goodix Technology

---

## Project

### Abstract Data Type in C

[gitcafe.com/Mint/ADT](https://github.com/gitcafe.com/Mint/ADT)

### Mint OS for ARM Cotext-M3

[gitcafe.com/Mint/MOS](https://github.com/gitcafe.com/Mint/MOS)

### Heuristic Optimization in C

[gitcafe.com/Mint/HO](https://github.com/gitcafe.com/Mint/HO)

---

## Skill

C/C++  
Python

GNU/Linux  
Git

ARM  
Markdown

---

## Tool

Sublime Text

MDK

IAR

---

## Protocol

TCP/IP

BLE

IIC

---

## Interest

Machine Learning  
HTML5/CCS/JS

Node.js

Infographics
